

Patient Journey Map – Medical Diagnosis Center (Service Portal – ServiceNow)

"Making Diagnostics Simpler,
Faster and Better for Everyone"

SCENARIO	Awareness	Registration	Book Test	Test & Visit	Report	Payment	Feedback	Extend
 Booking a diagnostic test, taking the test, accessing reports and making payment through Service Portal	 Awareness How does a patient know about the diagnostic center?	 Registration What do people experience as they begin the process?	 Book Test How do people search and book a diagnostic test?	 Test & Visit What happens when the patient visits the center and takes the test?	 Report How do people receive and view their reports?	 Payment How do people make the payment?	 Feedback How do people share their feedback?	 Extend What happens after the experience is over?
 Steps What does the person typically experience?	Learn about the diagnostic center	Register on the Service Portal	Search and book a diagnostic test	Visit center and take the test	Receive and download reports	Make payment online/on-site	Provide feedback and rating	Book again and check health updates
 Interactions What interactions do they have at each step along the way? • People • Places • Things	- Website / Service Portal - Social media / Referrals - Hospital staff - Brochures / Ads	- Create account - Enter personal details - Verify email/phone - Service Portal	- Search available tests - Check date and time slots - Select and confirm booking - Service Portal	- Reception check-in - Sample collection - Lab technician interaction - Diagnostic center	- Email notification - Login to portal - View/Download report - Service Portal	- Online payment - Invoice generation - Payment confirmation - Service Portal	- Submit feedback - Give rating - Share experience - Service Portal / Email	- Receive health tips - Book future tests - Personalized offers - Email notifications
 Goals & Motivations At each step, what is a person's primary goal or motivation? ("Help me..." or "Help me avoid...")	Help me find a reliable and trusted diagnostic center	Help me quickly create an account and get started	Help me book the right test at a convenient time	Help me complete the test with minimal waiting time	Help me get accurate reports without visiting again	Help me make a secure and easy payment	Help me share my feedback to improve services	Help me manage my health and book tests easily again
 Positive Moments What steps are enjoyable, productive, fun, motivating, delightful, or exciting?	Easy to find information online and good reviews	Simple and quick registration process	Wide range of tests and real-time slot availability	Friendly staff and smooth test process	Instant notification and easy report download	Multiple payment options and instant confirmation	Easy to give feedback	Personalized health reminders and offers
 Negative Moments What steps are frustrating, confusing, angering, costly, or time-consuming?	Lack of clear information about tests and pricing	Difficulty in account verification	No available slots or confusion in choosing the right test	Waiting time at the center	Delay in receiving reports	Payment failures or unclear invoice details	Not receiving acknowledgment for feedback	No reminders for future tests
 Areas of Opportunity How might we make each step better? What ideas do we have? What have others suggested?	Improve online visibility and provide clear test information	Enable social login and simplify the registration form	Show real-time slot availability and test recommendations	Implement queue management and appointment reminders	Automate report upload and email notifications	Provide multiple payment options and instant invoice generation	Send a thank you email and track feedback for improvements	Send personalized health tips and periodic reminders for checkups
